WEG Info for Manitoba Fibre Festival

The Winnipeg Embroiderer's Guild (WEG) is a group of people interested in all aspects of the needlearts. In addition to the more familiar cross-stitch, our members learn and practice other forms, including blackwork, Florentine, goldwork, tatting, Hardanger, canvaswork, and crewel, just to name a few!

The WEG was founded in 1973, as a project to celebrate Winnipeg's Centennial and is the founding chapter of the Embroiderers' Association of Canada (EAC).

Meetings are held on the first Thursday of the month from September through June. Our meetings include a short business segment, a short presentation, or workshop, show & tell of our members' work, and time for stitching and socializing with other members. We offer workshops throughout the year to our members in various embroidery techniques and meet regularly for Stitch-Ins. Meetings start at 7pm. Doors open at 6:30 pm. They are held at St. Mary's United Church, 613 St Mary's Road, Winnipeg.

Our annual membership fee is \$65.00 and includes membership to the EAC.

You are invited to visit one of our meetings for free. We would love to see you!
